If you're getting married in the Midlands and are looking for relaxed and stylish photography that's full of your personality, then look no further.

I promise to capture genuine moments and paint you in your best possible light, for beautiful natural images that will last a lifetime.

With a mix of candid and portrait photography I'll create a record of your day exactly as it happens and present you with a collection of modern images that are truly mantlepiece-worthy.

INTRODUCING YOUR PHOTOGRAPHER

Hi I'm Emma Duder and if you're choosing Doodah Photography, then you're choosing to be shot by me.

Don't worry, it won't hurt a bit.

Hi, I'm Emma, your friendly neighbourhood wedding photographer.

I live in Derby with my Husband, baby, and a cat called Frog. Taking pictures of people is what I love to do. I'm very down-to-earth and no-nonsense. I'm happy to go with the flow of your day, but that I'll do whatever it takes to get the most interesting and beautiful shots. My background is in fine art and graphic design which means I know about composition, lighting and colour, all of which helps me to take great photos.

MY STYLE

It's my aim to take pictures of people that really reflect their style, their emotions and their story. When you see the pictures I've taken of you, I want you to feel like they're the very best representation of you.

I work in a very relaxed way, I think that having your photo taken should be an enjoyable experience. When taking portraits I always give direction. This means making suggestions on where to put your hands, or where to look, so you don't feel awkward. I'll never ask you to do anything you wouldn't normally do, and for most of the day I'll just take candid pictures so you'll probably not even notice I'm there.

FULL DAY PACKAGE £1400

If you'd like to document all aspects of your big day, from getting ready to evening party, then this is the package for you.

The full day package is exactly that, your full day photographed. I'll arrive when you're still in your PJs (I advise two hours before the ceremony) and I'll go home when the party's in full swing. Before I leave I'll capture your first dance and some all-important party shots.

“Emma delivered. She was able to be everywhere at once, getting all the little moments that we’ll cherish for ever! Every single one of our guests said how fabulous you were & how brilliant the pictures are.”
